

INDEPENDENT ELECTORAL AND BOUNDARIES COMMISSION

Opening of Ballot Box at the Constituency Tallying Centre to retrieve materials wrongly put in the box

Upon arrival at the Constituency Tallying Centre, where the PO is found to have wrongly put materials in the sealed ballot box, the following steps should be taken:

1. The PO shall inform the RO;
2. PO will be required to summon his/her polling station agents to the Constituency Tallying Centre; and
3. In the presence of the RO, the Constituency Tallying Center Agents, and polling station agents the PO opens the ballot box and retrieves the required materials and then seal accordingly and record the new seal serial numbers in the PSD.

The Polling Station Agents and Tallying Centre Agents will be required to sign as witnesses to the process and RO will record in the RO Incident Report.

In the event that the Polling Station Agents are unreachable, the RO will inform the Commission who will give further guidance.

Fresh Presidential Election Results Path

The Chairperson (the Presidential Returning Officer) announces results from each county, declares presidential election results and delivers written notification of the result to the Chief Justice and to the incumbent President

RESULT PATH AT POLLING STATION

15. Avails the form 34C to the chief agents.
16. Declares the Presidential Election Results using form 34C.
17. Fills and issues the form 34D certificate to the person declared elected.

Complementary Mechanism for Results Transmission System (RTS)

In case the results transmission fails at the polling station, the Presiding Officer will be required to:

1. Move to the nearest point from the polling station that has good network and transmit accordingly;
2. If there is still no network, proceed to the Constituency Tallying Centre and transmit from the Constituency Tallying Centre.

Where the KIEMS Kit fails completely:

1. The PO shall inform the RO of the failure of the Kit and asks for replacement or repair of KIEMS
2. In the event that the KIEMS kit cannot be repaired or replaced, the PO shall document the incident in the Polling Station Diary (PSD) which shall be signed by all the agents;
3. The PO then proceeds to deliver the hard copy Form 34A and PSD to the Returning Officer.

The Commission shall publicize, through electronic or print media of national circulation, or any other accessible medium, to the public of the failure of transmission from that polling station.
